

# **Vacancy on Airport Advisory Committee**

April 21, 2008

The City of San Diego Airport Advisory Committee advises the Mayor on issues that affect the City's two general aviation airports, Brown and Montgomery Fields. The Committee is composed of twelve members who represent aviation tenants on each airport, aviation users at each airport, and community planning groups in the vicinity of the airports. Three of the members are selected because they have special expertise that could benefit the Committee.

The Committee meets on the second Tuesday of each month at 3 p.m. Members are appointed by the Mayor to serve a term of four years.

There is currently a vacancy in the "Brown Field Aviation Lessee Group" category. If you are an aviation lessee at Brown Field and have an interest in serving on the Committee or know someone who might be interested, please submit a letter of interest and statement of qualifications by May 23, 2008 to:
